PROGRAM FEATURES

- Laurel Park Elementary is a community of learners, including administrators, teachers, students, and families. A highly qualified and committed staff will ensure that Laurel Park students are active learners who produce high quality work that is exciting, engaging, and relevant to their interests and needs.

NEW FACILITY

- The school will be in a renovated existing industrial building that had housed the "Bespak" plant.
- Improvements to the building included providing new second floor construction at existing high-bay space, providing for auto and bus traffic and parking and providing for outdoor physical education program.
- 111,356 square feet school building located on a 15.63 acre site.
- The property fronts Laura Duncan Road just south of Old Apex Road
- The school was built as part of the 2006 construction program.

DIRECTIONS

- Take US 1 South. Exit at US 64 West. Turn right on Laura Duncan Road (approximately 2 1/2 miles from exit). Continue approximately 2 miles. The school is on the right.
